Operation Conservation

Name: _____

Date: _____

Shower Log

Time how long it takes you to take a shower each day for a week. Write the time in the lines below. Each day try to reduce the amount of time you take a shower by 30 seconds.

Example: 9:30am- 8 minutes

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

Day 6: _____

Day 7: _____

What did you learn? How can you explain what you learned to others?

Was this easy or hard for you? Why?

Grange Insurance Audubon Center L.E.E.D. Green Tour

1. Think before you throw it away.

What are the three R's? _____, _____,

2. List two features in our restrooms that save water or electricity .

_____ & _____

3: What two items were reused from before our building was a nature center?

_____ & _____

4: Why do we have decals on our windows? Who do they help protect?

What did you learn from playing Recycle City or completing the conservation checklist?

You CAN make a difference by taking conservation action!

Think about all the ways you use water and electricity.
Pick two ways you use water and two ways you use
energy.

Water #1- _____

Water #2- _____

Energy #1- _____

Energy #2- _____

Then, write about the conservation action you could practice with your water and energy use.
